

TIPS

- 1 Please review all parts and hardware before disposing of any packaging.
- 2 Check to be sure that all parts and hardware are complete before you start assembly.
- 3 Before beginning assembly, separate each type of screw.
- 4 **Using a screw that is too long will cause damage.**
- 5 Carefully study the screw diagrams below.
- 6 You may receive extra hardware with your unit.
- 7 Place all parts on a clean and smooth surface to avoid the parts from being scratched.
- 8 Keep the product away from heat and humidity.
- 9 Light blue stains and natural wood knots on the product are not considered defects.
- 10 Before start assembly, please categorize the hardware.
